TABLE 2: PRE-REQUISITE/ ADDITION/ EXEMPTION FOR A SEMESTER WITH RESPECT TO COURSES THAT ARE PRE-REQUISITES FOR MOVING TO HIGHER SEMESTERS - UPTO 7TH SEM REJOINING IN R2017

Additions/ exemptions can be given for specific conditions only for courses that are pre-requisites for moving to a higher semester because a student may rejoin in R2017 under various conditions of non-completion of these courses. The following is only a broad guideline.

Important point to note is that in the prescription of addition/ deletion for a student joining in a semester in R2017 with respect to courses that are pre-requisites for moving to a higher semester, the pre-requisites for the joining semester as well as the next higher semester has to be considered and anticipated. Specific remarks have to be obtained for every application.

Note: Arrears in AR6313 Architectural Design – II of R2013 III Sem and AR6413 Architectural Design III of R2013 IV Sem are recommended to be studied only in R2013 to maintain linear progression of nomenclature in mark list because syllabus content gets swapped between the two regulations in these courses with nomenclature remaining the same.
